Self-service password reset

Scott Adams - 2020-08-26 - Comments (0) - General

If you've forgotten your password, you can reset it yourself by going to https://aka.ms/sspr or https://passwordreset.microsoftonline.com/ . This option is only available if you have set up your password recovery information (a phone number and/or personal email) previously.

To set your password recovery information, you can go to https://aka.ms/ssprsetup .
